BORIS THE SPIDER

A Journal of Duplicitous Doings, Raw Power, and Naked Greed

When first we practice to deceive."

ONWARDS TO AVALONCON VI

Yes, Boris, Wayne Morrison, and perhaps Tony Remaraday are making the 1000+ mile Pilgrimage to Hunt Valley on Quest for a National Championship plaque. Ms Nar has declined the offer to join in the hellride there and back.

ALTERNATE ALERT: Ty Hare is resigning his 1835 position due to business and family pressures. I need a substitute immediately, or bad things will happen.

Those sharp-of-eye will have noted that we've changed the "all" to "most" in our deadline announcement below. This is to reflect the earlier deadline needed by the guest GM in "Vengeance is Mine". Also, I'm considering having 2-week deadlines for "Boris VI", card passes in the HISTORY OF THE WORLD games, and combat resolution in STELLAR CONQUEST.

BORIS'S BULLETIN BOARD

THOUGHT FOR THE MONTH: "Regardless of how realistic the fear of computers in chess is, such fears have already materialized in checkers where Chinook (a computer) is now world champion."
--Gary Crum

Don Del Grande is looking for folks that want to play KINGMAKER by e-mail. He also has a couple of openings for pbm KREMLIN (Poliburo: A,P,B,S(w),C,N,H,R(w). Candidates: E,K,L,M,V. Advanced Rules except D,E, and G.

John Boardman (294 East 19th St, Brooklyn, NY 11226-5802) is desperately seeking at least three KINGMAKER standby players for immediate openings. Sub rate for standbys (or for mere observers) is 9 issues for \$10. Applicants will get a copy of his KM postal rules and the lucky three will get the lowdown on one of the positions up for grab.

Rudy Zodda has volunteered to GM a game of HOTW by e-mail. Contact him at rzodda@aol.com. Similarly, Chuck Hanna was thinking of running an e-mail 1830. Contact him at cch@ema.usna.navy.mil.

Marcel Carboneau is willing to GM some postal games of WIZARD'S QUEST, SOURCE OF THE NILE, and OUTDOOR SURVIVAL. WQ ought to be fun. I'm in for that. Anyone else interested, drop him a note.

Kevin Wilson sent along a photocopy of the rules for 4000 A.D., a space war game played in a 2x3x4 "board". Fairly simple, although the combat rules are nasty, i.e., combat doesn't happen unless the attacker has a majority, and then the defender loses all, the attacker nothing. Too nasty for my blood. While a 3-ship fleet wiping out a 1-ship fleet without loss isn't too unreasonable, a 35-ship fleet wiping out a 34-ship fleet without loss is. Still, if anyone out there is interested in playing by mail, we can arrange something now that "Fleeh Gordon" might be finishing.

The River City Railway Gazette may have already graced your mailbox before this issue arrives, but if not, be aware that it's on its way!

Rumor also has it that The Zine Register is out although I haven't seen my copy. Could be that the birth of the ZR's editor's first child, Sally Anne Marie. Congratulations, Pete and Cathy Goughn!

Was delayed mailing.

BOOS & KUDOS

This month's Madame Bolduc Press Excellence Award goes to K Wilson for his "Vienna Imperial Times" article.

The MS Nar SuperSunday Bomb is lobbed upon R. Rebbus (aka R Fisher) "for passing up a prime opportunity to inflict damage onto the Frylingi. Tek! Tek!"

The Tsar Strikes Back!

Spring 1914

1994HS

WALL STREET JOURNAL--It seems England has left her northern front too naked and must now face the wrath and avarice of the Tsar. Austria's tactical threats have increased markedly with the breakout of Adm Zinkentiefer's fleet into the Atlantic. Tempering this is the penetration of a Russian fleet into AEG. Are we to have a repeat of the mistakes of 1911?

TROOP MOVEMENTS

Austria builds A VIE; Russia builds A MOS.

AUS (Morrison): F Aeg-Ion, [F Bul-Aeg], [A Rum-Bul], A Bud-Rum, A Gal S A Bud-Rum, A Nap-Tun, F Tyn C A Nap-Tun, F Spa(sc) S F Por-Mid, F Por-Mid, A Vie-Tri, A Boh S A Mun, [A Mar S F Spa(sc)](r-???), [A Mun S A Ber-Kie], [A Ber-Kie](d), [A Sil S A Ber](otm);

RUS (Anderson): A Ukr H, A Sev-Mos, A War-Pru, F Con S F Smy-Aeg, A Arm-Sev, F Smy-Aeg, A Mos-StP.

The A/E/R draw fails. 1 "yes", 1 "no", 1 nvr = "abstain".

Orders in brackets fail; d = unit destroyed due to lack of valid retreat; imp = impossible; nso = unit not so ordered; nsp = no such place; nsu = no such unit; nvr = no vote received; oth = off the board; otm = unit on the move, r-??? = unit is dislodged; u = unorderd. Austrian A MAR must retreat oth or to PIE. English F MID must retreat oth or to BRE, IRL, NAF, or NAT.

Due next time are orders for the two retreats and for Fall 1914.

It has been suggested we go to two week deadlines since conversations between the three of you are either minimal or telephonic. Please comment. We could begin this schedule as early as Spring 1915.

EMBASSY BEAT

BUDAPEST: The English must be contained and turned back so all forces on the Western front are now only positioned for defence not attack. We encourage Russia to join us and stop the English threat to both our nations and we offer a truce. It is obvious now who will not vote for draw.

TSAR COUNTERATTACKS! FLEETS CLASH!

VII

Spring 1909

1994 AT

MURKWOOD: The ferocity of the Russian counterattack into MOS seems to have taken the German High Command by complete surprise, yet even this diversion of Russian resources seems to have been insufficient to save Archduke Shacklett whose troops seem to have waited their last waltz. The Turks are moving up to entrap the reeling German A MOS. Meanwhile the English and Italian fleets bash at each other. Will Italy be flattened 'twixt an English hammer and a Russo-Turkish anvil?

TROOP MOVEMENTS

Austria tears A BUD. Germany builds A BER and A KIE. Russia tears A RUM. Turkey builds A ANK and F SMY.

Austrian A BUD must retreat otb or to GAL. English F LYO must retreat otb or to PIE. German A MOS must retreat otb or to SEV. Italian F WES must retreat otb or to NAF, TUN, or TYN.

Due next time are the retreats, and orders for Fall 1909.

EMBASSY BEAT

BERLIN: The threats of a defeated Caesar will be ignored. Several of the French officers and men have joined the German Army after being brought back from near death from freezing outside of Warsaw. They stated that they were outside the city of Moscow when they were forced to retreat and lost their way. They were given a tour of the Russia Capitol (now in German hands) prior to signing up with the newly formed Army of Berlin.

BOLDHOME

ERRATA: We somehow lost CHUCK's orders last time. CHUCK sold 500 pounds, 1 franc, 200 lira, 1 crown, and 500 piasters then bought 900 marks and 200 rubles. Fall prices have been adjusted accordingly and this season's orders adapted as necessary.

Spring 1909 Action

PRB sells 500 pounds, 500 lira, 500 rubles & 500 piasters then buys 500 crowns, 1900 marks (\$117+635+485+480+605+365-1833 = \$124).

RVE sells 500 pounds, 500 lira, and 500 rubles, then buys 1000 marks (\$1470+635+485+480-1410 = \$1660).

WORMTONGUE SACKS ROME!

Front Solidifies!

VIII

Spring 1986

1994 AD

CLIFFHANGER--Riding a white Lippizan stallion, Archduke Wormtongue entered the Eternal City at the head of his troops. But could this be his last hurrah? A stalemate line has been established from STP to BUR. The army in ROM is nearly surrounded by Italians. His navy is outnumbered 2.5 to 1 in the Med. True, BUL should fall, but the Italian raider could remain in AEG threatening for center. And what is that English fleet doing in German-owned DEN? Is it preparing to penetrate into BAL to undermine BER, or it is snarling up an unwary center?

TROOP MOVEMENTS

German A MUN retreated to RUH and Italian A VEN retreated to ROM. Austria builds A BUD & A VIE. England builds F LON.

AUS (Frying): A Ank-Con, A Smy S A Ank-Con, A Sev-Rum, A Mow S A Pru-Lvn, A Pru-Lvn, A Bud-Ser, A Sil S A Mun, A Boh S A Mun, A Vie-Tri, [A Mun S Ger A Bel-Bur] (nso), [A Ber-Kie], A Tri S A Vie-Tri, A Ven-Rom, F Apu-Adr, [F Ion-Gre].

Due next time are orders for Fall 1906.

EMBASSY BEAT

KIEL: The Reich government hopes that Italy and England will continue peace talks.

VIENNA: At Christmas Eve services the Archduke expressed his deep regret at the untimely deaths of the Turkish, French, and Russian Heads of State this past fall. "If not for the naked aggression of the western powers these great men would not have fallen" he stated. "Even our dear friend, the Sultan, was unwilling to consider the possibility of his realm under the Toady King's rule--so he took his own life! If the rogue Italian fleet had not been threatening Smyrna and Constantinople with occupation the Sultan would be here with us today. The world has suffered a grave loss. Perhaps the King should now do penance for his crimes against civilization and repent of his evil ways. Then the world can again have peace."

BORIS WORLD PRESS REVIEW

St Petersburg Underground Star: "Foreign Minister Fisher, you've lost a second country in a row to a stab and disgraced your family name for generations to come! What are you going to do now?"

"I'm going to Diane... naw! I'm off to Italy! Ciao, Baby!"

Washington Star: Archduke Wormtongue's recent comment that the Sultan has "taken his own life" strikes this reporter as untrue. I personally interviewed the Sultan at his palace on Cyprus a few weeks after the surrender of the last Ottoman army. He seemed fit and in fine fettle. If the Sultan is indeed dead, it is likely the work of Austrian assassins while he was on Haj to Mecca.

CLEARWINE: Another Sovereign has abdicated, unable to withstand the stress of command in general war; and obscure professional diplomat, lately posted to Russia has become Foreign Minister. Investors greeted him with a major sell off of the Lire. Investors are also disappointed in the performance of the German army. Widely expected to conquer two or even three centers this year, the Army struck out and the NAVY scored HOL. Russia, France, and Austria are the powers with momentum at the moment, a fact that doesn't bode well for Germany, Italy, and Turkey. Nor should England get complacent as with a build of F STP(ne), the very foundations of Whitehall will be shaken.

EMBASSY BEAT

LONDON: The abdication of Kaiser Marcel in favor of Kaiser Jack could not possibly come at a better time! Maybe new diplomatic ties will be resumed with the Continent. We must unite against the common enemy!!!

ROME: Landing on his feet like a cat, R. Fisher accepted a provisional offer of the post of Foreign Secretary to Emanielli III's government, and immediately dispatched envoys to all the major governments of Europe.

"Third time's a charm, I think I've got this diplomatic thingy in hand now," he announced. "I hope to be able to keep my beloved Italy out of the nasty-neas that's engulfing Europe. I truly believe reasonable governments can work out their differences at the negotiation table, without bloodshed and the deprivations war inflicts on the innocent populations. If the other heads of state cannot accept this we'll kick the crap out of their armies, throw them out of office and install new governments of a more peaceful bend of mind."

VIENNA to ROME: If you didn't order A VEN then we bounced. If you did I'm ready to trade centers back. If you write we wouldn't have this problem. I don't want to fight and neither should you.

BORIS WORLD PRESS REVIEW

Vienna Imperial Times: The Imperial Press Agency today informed the media of the recall of the Imperial Ambassador to the court in Rome. The inability of the Ambassador to relay communications from Rome to the court in Vienna was primarily blamed for the current hostilities on the Italian border. "If he cannot use his tongue to get my messages to King Art of Italy or relay the King's messages to me, then I doubt he needs the head of which his tongue is part," said Archduke Kevin prior to the announcement and appointment of a new ambassador to Rome. Funeral arrangements for the ex-Ambassador are available in the obituaries.

Due next time are your orders for Aktienrunde 4 (SR 4) and Betriebsrunde 4 (OR 4). Remember that the BY and SX can lay two tiles a turn during Phase 1. As a one-time good deal we'll give Herr Fisher a "Mulligan"; he may place a #5, #6 or a #57 tile in F10 effective OR 3. Frueh has der Zug. Note Hare is resigning. Hopefully we can find a replacement. If not, we have four courses of action: a) beg him to return until a replacement can be found, b) Boris will play until a replacement can be found, c) permanently nmr the position (locking up 2 SX and 0.5 PR for the duration), or d) randomly choose orders from the rest of you.

MEET THE ADVENTURERS:

Amber Rose wishes only to be taken seriously as an adventurer obtaining enough Gold to meet her needs and enough Fame and Notoreity to be noticed by the other adventurers.

Riki the Wizard expects to successfully explore and make his fame and fortune on his side of the realm. We consider ourself peaceful to all adventurers seeking their dreams. We are always interested in alliances for our mutual benefit. Initially though it appears that we will travel our area of the realm alone while others travel in areas remote from us until they decide to brave the caves. Maybe they will need to seek an assist from Sinplomo in order to bypass the caves. In the meantime good luck to all.

CLEARWINE (continued from p 5)

FALL 1901 ACTION:

BUTTS cashes in since he is now Italy. No change to market.

PRB sells 500 pounds, 500 marks, 500 lira, and 500 piasters then buys 500 crowns and 1600 rubles (\$0+500+545+450+505-500-1472 = \$28).

RVE sells 500 francs, 500 lira, and 500 piasters, then buys 500 crowns and 1000 rubles (\$0+540+450+505-500-920 = \$75).

Crowns, francs, and rubles go up \$0.10 due to "acquisitions", the rest go up \$0.05.
